### SUGGESTED AGENDA: 90 MINUTES

- Speaker content: 40 minutes
- Q&A Panel: 20 minutes
- Networking (mixer): 30 minutes

## CAREER DEVELOPMENT ACTIVITY (WRITTEN IN STUDENT VOICE)

### PRE-EVENT QUESTIONS FOR STUDENTS:

- We are hosting an Alumni Networking Human Library, where Alumni will be invited to present a short, TED talk-like presentation to share their career journey with you, and explain how networking has helped them to succeed.
- Each speaker will share valuable hints and tips to give you that competitive edge as you prepare to transition to the labour market.
- You are invited to identify and submit networking-related themes or questions you would like the speakers to either include in their talk, or speak to during a question-and-answer panel. Please forward these networking-related theme requests and questions to **(add email address)** by **(add date)**. The MC may ask your submitted questions during the Q&A session following the talks.

### DURING THE EVENT:

- MC facilitates the event, using previously prepared script.
- MC encourages open questions and respectful discussion, asks questions, keeps event moving within timelines.

## FORMATIVE ASSESSMENT STRATEGY

### POST-EVENT:

- Assessed based on attendance / participation
- Anecdotal assessment of questions and student participation
- Post-event survey via survey monkey
- Possibly have students text their reactions and comments to bamtext
- Media uptake - stories pre or post event as to how it has been promoted in the media
